ANA CVEJIC i Yo2 Designs

Fantasmagoria je ekskluzivna kolekcija tapeta i prostirki specijalno dizajniranih za kompaniju Yo2 Designs.

Fantasmagoria:
Imala sam san...
San o magičnom prostoru bez ikakvih vizuelnih granica ili ograničenja stvarnosti. Eklektičan dizajn koji koketira sa neočekivanim objektima, stilovima i smelom paletom boja.

Koristeći arhitekturu, lukove i crno-bele viktorijanske podove da bi se dobila vizuelna iluzija perspektive dubokog prostora. Ova zemlja fantazije, krunisana džinovskim papagajima, rezultira zidovima i podovima koji izgledaju kao sekvencija fantastičnih slika, kao one koje se vide u snu.

Rezultat je ova kolekcija koja je maštovit način da ukasite svoje mesto i date jedinstven estetski izgled vašem prostoru. Ova zemlja snova će vam sigurno ulepšati svakodnevicu.

Dobrodošli u moju Fantasmagoriju!

ANA CVEJIC x Yo2 Designs

Fantasmagoria is an exclusive collection of wallpapers and rugs specially designed for Yo2 Designs company.

*Fantasmagoria:
I have a dream...
A dream of magic space without any visual boundaries or limits of reality.
Eclectic design that coquets with unexpected objects and styles, with bold color palette.
Using architecture, arches and black and white Victorian checkerboard look*

*floors to get visual illusion of deep space perspective.
This fantasyland, crowned by giant parrots results with walls and floors that look like a sequence of fantasy images, like those seen in a dream.*

The result is this collection that is an imaginative way to decorate your place and give a unique aesthetic look to your space. This dreamland will surely brighten up your everyday life.

Welcome to my Fantasmagoria!
